Gw

m the San Francisco News-Letter. Morais are as surely a resultant of cll-mate and location as the flora or fauna it-self, and there is nothing more elastic. A single code may reach from the Atlantic to the Pacific, so what wonder if, at the end, it is somewhat attenuated. self, and there is nothing more clastic. A single code may reach from the Atlantic to the Pacific, so what wonder if, at the This may have been the reason a certain young Bostonian's rigid code could not stand the strain of Chispa's charms, and "et-quien sabe? Pietro had no code at all,

owand neither could he withstand the lovely And Chispa herself, she loved her own

And Chispa herself, she loved her own sun-mocking eyes and wines-and-olives skin, and when the bull lay dend at her feet she received the salvos of applause that rained upon her with an almost child-like grace, much as the scarlet poppy receives the sun and showers from heaven as her own inalienable right and droops and dies without them.

But Chispa, withal, was a woman, so she loves some one eise, too.

Oh, it is sickening to read about it, decribed in our Paritanical Enginsh adjectives, but go there yourself, get the smell of blood in your nosirils, the blaze of color in your eyes, the shouts and shrieks of the people and the blaze of excitation surgeover you until they overwhelm you and sweep along with them, and you suddenly find you are a cousin german to Tullia or Kriembilde.

The deep, hright blueness of the South-

find you are a cousin german to Tullia or Kriemhilde.

The deep, bright blueness of the Southern sky bends over its favored children as if it would banish from them every shadow of seriousness or care, and must be gratified by the gargeous pageants they flash back in return. The Plana di Toros is undoubtedly the most brilliant picture the all-beholding sun looks down upon in all this course. Being out of doors the effect is somewhat tempered by the atmosphere, and yet at the first glance the brain almost reels under the glare and glitter of color. Ther upon tier of colors—strong crude, primary hues at that—stretch away from sol to somber, purples and reds, blues, yellows and greens, that express, to the onlooksr, something of the rudimentary nature of these people. The brilliant rebous and gay serepas put Joseph's coat of many colors to shame, sparking eyes and many colors to shame, sparking eyes dexaminering, in short, that is gay and attractive the street combines to make the scene intoxicating till estat the whole noisy, reckless, gorgeous concourse reminds you of nothing so much as a rainbow, a sunset and a thunderstorm combined.

Two bulls had been killed already and wild applause and wilder excitement, but

a rainhow, a sunset and a thunderstorm combined.

Two bulls had been killed already amid wild applause and wilder excitement, but as the matador was a man the keen edge of enthusiasm was held in abeyance till the lively Chiapa should take the field. Fresh sand was sprinkled on the arena, flowers, bon-bons and coins were showered over the erstwhile gory seene, and the smell of blood was soon mitigated by the heavy scants of the fans that fluttered through the air. And fair and fitting was it all for the little torera, the flowers, the music and the applause, as she stood serenely in the center of the ring. The wide sun-mocking eyes wandered along the lower tiers until they met and clung so long to the horror-stricken eyes of the New Englander there was only an instant left to catch a reassuring dart from the faithful Pietro before the tore was led in. Amid a fanfare of trumpets, a moment of breathless suspense, then a tremendous crash of applause, the great black beast bounded into the ring. The capeadores and banderilieros stepping high in brocade and spangles, the mounted picadores stiff in tinsel embroideries, lined up and saluted the presiding officer of the day, four Chispa is the bright particular star, yand as long as she can keep the field she keep.

gind as long as she can keep the field she may.

With a careless recognition of the eager multitude over her, she made a little mock courtesy to Benor Toro, and grasped her saber with the same calm assurance the Girton girl grasps her racquet. Even the great black beast could not be utterly insensible to the fair young creature who defied him, and at first seemed disposed to regard her insults as merety the indiscretion of her thoughtless youth. But the crowds grew eager for the combat, and the tiny silver ankles twinkled about as the little wing of girl flirted her capa in his face, menaced him, goaded him, thrust at him like some small flend, until his dignity was quite outraged. Still the bull remained sullen; what could he do? The spirit of Bpanish gallantry was in the air. The crowd had appleuded itself hoarse, and now began to groan in the slowness of the game.

The tovers grew recklers. With a shrug

now began to groun in the slowness of the game.

The toyers grew reckless. With a shrug of her glistening shoulders she stepped to the center of the ring and challenged the populace, then marched straight up three steps, two steps within reach of the lowered horns and bloodshot eyes.

The crowds above her arose in a body and stamped and shricked and cried:

"Brava, brava, Chispa! Brava, little one! Bitck him!" While Pietro's voice was loudest of all—"Finish him, Chispa! Finish him now!" as he realized her danger.

"Oh, God!" grouned the Boston man's fair young soul within him as he made for an opening somewhere—anywhere.

One more step! The little brown hand

black forehead.

The crowds went dumb. Several toreros eaps the wall, Pietro at their head. The eaps the wall, Pietro at their head. The eaps on the arean few in clouds, as if a reason had struck it; the sound of a little stifled cry aross above the hearse bellowing of the toro, and when the clouds of dust finally cleared away the little spangled figure did not rise. And after the now thoroughly infuriated beast was finally dispatched by Pietro's hand, the damp curia, bound with the gay flowers, still lay in the dust, but the ever were luminous and the breath came fast—

"Tell Pietro he almost saved me—it was my own fault. Tell him—good-by—and tell him it was him I loved all the time. I've always been true to him—and I'll never.

The words came in gasna now, and the

The words came in gasps now, and the sun-mocking eyes were growing dim.
"And the senor from Boston-tell him-tell him the same."

JOURNAL ADVERTISING IS THE BEST ADVERTISING 1 BRINGS GREATEST RETURNS FOR THE LEAST MONEY.

The first of the Year

WHEN A LARGE NUMBER OF ADVERTISERS PREVIOUSLY CLASSED AS "EXCLUSIVE." BE GAN USING THE NEW JOURNAL IT WAS CLAIMED THAT IN SOME CASES THE ADS WERE SIMPLY "COMPLIMENTARY," AND IN OTHERS THAT THE AD-VERTISERS WERE JUST "EXPERIMENTING," BUT THAT THEY
WOULD SOON "GET ENOUGH." BUT THE DAYS PASSED INTO WEEKS AND THE WEEKS INTO MONTHS. AND STILL NOT A SINGLE ONE OF THE NEW ADVERTISERS HAD DISCONTINUED THE USE OF THE JOURNAL; NOT ONLY THAT, BUT MOST OF THEM WERE INCREASING THEIR SPACE. SUCH BEHAV-IOR ON THE PART OF MERCHANTS WHO HAD BEEN EDU-

CATED ON BLUE PENCILED SUGAR BOWL LITERATURE SEEMED UNACCOUNTABLE AND WHOLLY CONTRARY TO THE

LAWS OF ASTRAL RULE. COULD THESE MERCHANTS BE GETTING RESULTS IN ANOTHER PAPER? THE WILDEST FLIGHT OF ASTRAL IMAGINATION COULD NOT SOAR THAT

HIGH.
PICTURES WERE DRAWN OF THE HUGE PILES AND LARGE BONFIRES CERTAIN MERCHANTS COULD HAVE MADE, AND THE GOOD TIME THEY COULD HAVE HAD, IP THEY HAD NOT BURNED THEIR MONEY, ASTRAL FIELD GLASSES WERE POLISHED AND ASTRAL EYES SCANNED THE HORIZON TO ASCERTAIN, IF POSSIBLE, IF ANOTHER NEWSPAPER THAT BROUGHT RESULTS HAD BEEN SIGHTED IN THE TERRITORY BOUNDED BY THE RISING SUN ON THE EAST, THE SETTING SUN ON THE WEST, THE AURORA BO-REALIS ON THE NORTH AND ETERNAL CHAOS ON THE SOUTH, BUT, NONE BEING DISCOVERED, THE ASTROLOGISTS CAME TO THE CONCLUSION THAT THEY WOULD AT ONCE ORDER SOME MORE SILVER PLATTERS ON WHICH ADVERTISERS COULD BRING UP THEIR COPY. IT'S A SERIOUS AND TERRIBLE THING IN ANY COMMUNITY TO HAVE TWO PA-PERS THAT BRING RESULTS. IT'S SOMETHING AWFUL THE ENORMITY OF THE CRIME OF BRINGING RESULTS IS SCARCELY APPRECIATED BY THE AVERAGE MERCHANT. WHO, STRANGELY ENOUGH, IS SOMETIMES SO FOOLISH AS TO THINK THAT IF IT IS A GOOD IDEA TO HAVE ONE PA-PER THAT BRINGS RESULTS COMMENSURATE WITH THE MONEY EXPENDED, IT'S ALSO A GOOD PLAN TO HAVE TWO.

THE JOURNAL IS BRINGING RESULTS COMMENSURATE WITH THE MONEY EXPENDED. JOURNAL ADVERTISING IS THE CHEAPEST ADVERTISING IN KANSAS CITY TO-DAY. THAT'S THE WHOLE STORY OF THE INCREASE OF JOURNAL ADVERTISING.

JOURNAL ADVERTISING IS THE BEST ADVERTISING RECAUSE P BRINGS GREATEST RETURN'S FOR THE LEAST MONEY.
